Headline:
Mainly cloudy and showery for today.

Today:
Rather cloudy, particularly around the coasts, with occasional showers. Outbreaks more isolated and light during the morning, building into the afternoon, bringing the risk of thunderstorms to Lothian and Borders. Winds light. Maximum temperature 21 deg C (70 deg F).

Tonight:
Similar to the day with skies mainly cloudy with further showers, these frequent and potentially heavy at times, particularly overnight. Minimum temperature 11 deg C (52 deg F).

Saturday:
Rather cloudy start with a further scattering of showers, but tending to turn drier and brighter from the west during the late morning and afternoon. West to northwest breezes developing. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Sunday and much of Monday mainly dry, occasionally bright with light winds. Late Monday and through Tuesday increasing risk of periods of rain developing, possibly turning heavy with chance thunder.
